

MONETT DEFEATS SPRINGFIELD 23 TO 0

Springfield Bulldogs High-Lined on Their Own Field. Monett Wins Championship.

The Monett high school football team defeated the Springfield high school Bulldogs 23 to 0 on the Drury field Friday afternoon. Monett's goal line has not been crossed this season and Friday's victory assures the team of the Southwest championship for the second time.

The only other eleven in the conference that has not been defeated is the Carthage high school and their team has not been scored on. The conference rules give the title, in a case of this kind, to the team having the greatest number of conference victories to its credit, which gives Monett the championship.

The game Friday between Springfield and Monett was played in a sea of mud, the rain falling at intervals during the contest. Both teams were handicapped by not being able to use their best plays because of the three inch layer of red clay mud that covered the entire gridiron and could do little passing.

Regardless of the condition of the field, the game was one of the best exhibitions of straight football seen on the Springfield gridiron this season.

As the score indicates Monett outplayed Springfield all down the line. The bulldogs made some sensational runs, which, however, netted them nothing in the end.

Walter Reynaud's bunting and kicking was superb, far outclassing the work of his opponent. His drop kick goal of twenty-three yards was spectacular as it was made from a very difficult angle.

Monett's passing was fine and Chumbley's catch for touchdown was one of the sensations of the game. Black and Witte on the line held their own against heavy odds. They are light weights but were able to break up many of the Bulldog's plays.

Monett's line bucking brought good gains in which the entire back field showed their superiority over their opponents. Their end runs made great gains and brought avalanches of cheers from the side lines.

Captain Howard Freeman and Jack Galloway, two of Coach Foster's best men, were the stars of the Springfield team. Freeman, playing at Fullback, did all the passing for the Bulldogs, carried the ball well and did spectacular work on the defense. Galloway, the center, on defense got through and broke up more Monett plays than any other Springfield man. Marvin Ward also did some good work, doing some sensational tackling.

The game opened with Springfield kicking to Monett. Within six minutes of the start Henderson carried the pig skin through the Bulldog line for a touchdown. Walter Reynaud then kicked goal. First quarter ended with ball in mid field.

After three minutes of play in the second quarter Walter Reynaud made a twenty-three yard drop kick at a 45 degree angle. Springfield kicked to Monett. Milton Reynaud received the kick and carried the ball to Springfield's five yard line. Henderson then advanced the ball for a second touch down.

The third quarter netted nothing for either side. During the fourth quarter Springfield seemed to weaken and Monett made another touchdown by a forward pass to Chumbley. Walter Reynaud kicked goal.

The work of Captain Milton Reynaud showed excellent judgment in calling his plays.

The only two injuries Monett received were to Milton Reynaud, who sustained an injury to his knee and to Cecil Long, who sprained his ankle. Captain Reynaud showed his grit in carrying the ball for a good gain after his injury.

The lineup and summary follows:

Earl Eden arrived Friday morning from Idaho, called by the fatal illness of his brother, Burl Eden, who died the first of the week. He did not know that his brother had died until he reached Monett.

Drury. Time of periods—15 minutes. The Monett rooters showed that they were made of the same kind of material as their wonderful team. Many braved the long hard drive through a rain and muddy roads to lend their support to their warriors. Strange to say the very worst roads were within about five miles of Springfield, making quite a contrast the excellent roads around Joplin.

On reaching Monett the victors were met at the station by the Monett Boy's band and a triumphal procession was formed to parade the streets. Coach Engleman has trained an invincible eleven of which Monett is very proud.

TOLLIVER GOES UP. Supreme Court Affirms Sentence For Robbery of Durnils Neodesha Store

Coffeyville, Nov. 15.—Sheriff Brewster of Wilson county came from Fredonia yesterday and took into custody George Tolliver, preparatory to taking Tolliver to the state penitentiary at Lansing to serve a term of five to fifteen years, following his conviction on a charge of complicity in the robbery of the Durnil store at Neodesha about three years ago. Tolliver had been out on a bond of \$3,000 for two years pending a decision of his appeal from the verdict of the Wilson county district court. The state supreme court handed down its decision last Saturday, affirming the district court's findings.

Tolliver's case is said to have involved a peculiar point of law, in that it is said he had no complicity in the real robbery of the store, but that it was alleged that he was the leader of the gang and received some of the goods following the robbery. The evidence involving Tolliver is said to have been obtained through the work of detectives and also through the confession of one member of the alleged gang. Tolliver was arrested here following the Neodesha robbery, and has continued to live here most of the time since then. Recently local police arrested him for investigation with a view to preferring vagrancy charge against him, but he was able to show property possessions to the value of about \$15,000 and the vagrancy charges dropped. Four or five of the Durnil store robbery gang are serving their sentences. One of them, a woman, was paroled.

DAYS OF "MEDICAL BEER" NUMBERED

Senate Adopts Conference Report on Anti-Beer Bill, 56 to 22.

Washington, Nov. 18.—The brief days of "medical beer" were considered numbered today when the senate by a vote of 56 to 22, finally adopted the conference report on the anti-beer bill.

With legislative action concluded, the bill fought over for months, now goes to the president, who is expected to give it his approval within the ten-day period in which he can act. It was thought possible, however, that there might be a few days delay, while an opinion as to the constitutionality of the measure was received from the attorney general.

Until the president's pen goes on the bill, manufacture and sale by physicians' prescriptions will continue, the treasury department announced.

An hour's debate, of extra fervid character, preceded the senate vote today. The line-up of the bill's opponents included twelve republicans and ten democrats, while thirty-three republicans and twenty-three democrats supported the measure.

Upon enactment of the bill, the constitutionality of which has been questioned in the senate as an extension of the prohibition amendment in its ban upon beer as an alleged medical and not a beverage concoction, it was deemed certain that brewing interests would carry a test case to the supreme court. Besides prohibiting beer with more than one-half per cent alcohol, the bill would reduce the amount of wine which physicians might prescribe.
